Club Updates

Message from Susan Calder

The past 7 months has been hectic with becoming familiar with the proceedings within this club. Thank you to all that has shown patience and understanding as the busy Summer season has had my head spinning around in multiple directions. With a few more course students and international guests still to arrive and with learning the inner depths of the behind the scenes of the administration sanctum has been challenging.

Russ and Phill winning the Horsham Turkey Trophy

Whilst what happens in Horsham stays in Horsham, Come for dinner at the club next Saturday buy them a drink and you'll hear the whole story.
